# 56th Annual Virginia State Crime Clinic Training Seminar

## SEPTEMBER 28 – 30, 2022

8:30 am – 11:30 am

### Covert Neutralization of Locks and Basic Alarm Bypass

Facilitator Sean Fregoso, Special Agent Virginia State Police

*This course gives the participant a basic understanding on how to covertly defeat commonly encountered locking devices. Unlike typical lock classes, this class is taught by a current operator who is also a covert entry specialist and as well as a state certified DCJS Locksmith with over 20 years of experience in the field of Swat operations and covert entry. Knowledge obtained in this class will also give the participant the ability to conduct site surveys to identify lock types and possible exploitable weaknesses.*

11:30 am – 1:00 pm

Lunch (Sponsored) "Cookout Buffet"

1:00 pm – 2:30 pm

### Surveillance and Counter Surveillance

Facilitator Sean Fregoso, Special Agent Virginia State Police

*Surveillance and Counter Surveillance will focus on the proper ways to conduct a physical surveillance Operation.*

2:30 pm - 2:45 pm

Break

3:00 pm - 4:30 pm

*Continued from 1:00 pm session*

5:00 pm – 7:00 pm

### "Country Fixin"s Buffett."

*Time to unwind greet and meet  
Great Door Prizes*

Friday, September 30, 2022

7:00 am – 8:00 am

Hot Breakfast Buffet

8:00 am – 12:00 pm

### Basic Covert Electronic Surveillance to include technical security counter measures

Facilitator: Sean Fregoso, Special Agent Virginia State Police

*In this Basic Covert Electronic Surveillance course students will learn electronic surveillance techniques that will allow them to gather, record and document intelligence and evidence that can be used in criminal prosecutions or internal investigations.*

*Students will also receive instruction on all applicable State and Federal laws that govern the use and deployment of the various types of surveillance equipment as well as related case law and legal issues. Through the experience of the instructors, students will learn new methods of employing technical surveillance equipment.*

*This course is designed for the novice as well as the experienced investigator.*

12:00 pm

Closing

*Pic Forms and Evaluations*
