## On the cusp of the 10 year anniversary of 9/11, the United States rids the world of the instigator of terror, Osama bin Laden

To honor the first responders who gave their lives that fateful day, we ask everyone to get the word out about Randy Owen's new song: "In Honor of (Those Serving Us)"

Hear "In Honor of (Those Serving Us)" now at Idaho Falls "The Bull" 96.1  
<http://96.1thebull.com/new-music-from-alabamas-randy-owen-3/>

### Proceeds from the sales of this CD go to the FOP Foundation.

This moving song, honoring the first responders of 9/11, has been distributed to all country music stations in the U.S. through the MPE service. Plan now to go to your local radio stations and request the song to be played to help raise money for injured on duty officers and firefighters. In light of recent events, this could quickly become the #1 song in America.

You sell the CD for \$10 each, with the \$2 profit going into your own lodge's treasury.

### Why the FOP Foundation?

The FOP Foundation is a nonprofit, tax exempt organization dedicated to assisting FOP members in times of need due to tragic unforeseen circumstances. The Foundation Funds provide financial assistance to the families of law enforcement officers that are wounded or killed in the line of duty, or develop a duty-related life threatening illness. The Foundation also supports the Disaster Relief Fund, which, with recent hurricanes, tornados, and flooding that has heavily impacted FOP members and their families, has provided much needed resources.

FOP and IAFF members visit radio station WIVK in Knoxville, TN requesting airplay.

In Chattanooga, TN FOP and IAFF members visit radio station WUSY.
